

Curriculum Delivery Policy

PURPOSES:

- 1- To ensure all school and class programs reflect the goals and objectives of the school's charter.
- 2- To help students take greater responsibility for their own learning.
- 3- To develop the self-esteem, independence, and confidence of every student.

PROCEDURES:

- 1- All students will be encouraged to aspire and excel.
- 2- Learning how to learn is an essential part of the school's curriculum delivery.
- 3- Students will learn to learn by seeking knowledge, information, and understanding.
- 4- Transformed learning opportunities will ensure students transfer their learning to new situations.
- 5- Students will excel and acquire the skills and passion of life-long learning.
- 6- Students will be provided with opportunities to develop their ability to learn, to allow them to pursue what they are passionate about and become passionate about learning.
- 7- Students' voices will be evident throughout the school.
- 8- Effective teaching practice and knowledge of the learning process will ensure individual learning needs are catered for.
- 9- Barriers to learning for students will be identified and strategies implemented to have them addressed.

Curriculum development is ongoing. The curriculum will be reviewed and adapted to reflect current learning theories and International Standards.
