

Education Outside the Classroom Policy

PURPOSES:

- 1- To increase knowledge, understanding, and appreciation of the local area and other areas that are different in nature and environment to our own.
- 2- To develop children's confidence, independence, responsibility, social skills, and their sense of adventure.

PROCEDURES:

- 1- All EOTC experiences will be well planned and take all safety aspects into consideration.
- 2- The EOTC procedure document will set out the requirements for all EOTC experiences.
